Steve Gurney is an adventurer, inventor and motivation expert.

Amongst world-wide racing success:

- He won the Coast to Coast a record 9 times,
- Has an engineering degree, and
- Was awarded the MNZM for services to endurance sport.

He has now turned professional motivational speaker and trainer and has written 2 books, ***Lucky Legs*** and ***Eating Dirt***.

They contain stories and yarns of his racing and adventures, and are inter-twined with research and strategies on success, resilience and mental excellence.
